PERSONAL MASTERY LEADING WITH EI EI

Successful leaders are set apart from the rest by their personal mastery and level of emotional intelligence. This 2-day clinic explores practical tools to help apply 7 key Practices of Emotional Intelligence to boost your leadership performance and bring out the best in others. In some regional centres, **The EI Leader** – a condensed **1-day** format will be offered.

EI@Work EIW

Emotional Intelligence has a lot to do with raising levels of achievement, motivation, optimism, joy, goal-focus, purpose and performance and creating positive, productive work climates. This **1-day Staff** seminar looks at key areas of working and relationships from an EI perspective.

LEADING THROUGH CONVERSATIONS CC

The calibre of your team's conversations determines the performance culture of your workplace. This 2-day practice-oriented **Conversational Coaching Clinic** introduces 7 key principles for more powerful, penetrating and constructive conversation using a series of effective, easy-to-apply tools to boost your conversational leadership and move from unproductive debate to more skillful discussion.

Learning to LEAD CHANGE LLC

Learning how to lead change is a critical skill for successful leaders. Over 2-days, this down-to-earth nuts and bolts program for current and emerging leaders gives you a good grounding in practical concepts, tools and frameworks to effectively initiate, design, plan, lead and monitor change and the critical practice areas and steps you need to know about.

Challenging CHANGE RESISTANCE CCR

No matter how good a job you do, change leaders are likely to encounter resistance. This **new 1-day** extension clinic helps change leaders connect with the thinking that bolsters resistance, assess its impact and practise strategies to challenge it constructively and handle difficult change moments better.

Learning to LEAD LtL

Laying Foundations for Leadership focuses new and emerging leaders on underlying principles, frameworks and tools to adapt to contemporary learning-centred leadership roles and practices through application of Senge's Five Learning Disciplines: *Shared Vision, Mental Models, Personal Mastery, Team Learning and Systems Thinking.*

Learning to be a COACHING LEADER CLC

Coaching is a much more effective and emotionally intelligent style for leaders who want to build the capacity of others. *The Coaching Leaders Clinic* is a 2-day 'hands-on' learning event exploring easy-to-apply tools to 'grow' your leadership skills and improve performance by taking a more coaching approach to your leadership style.

Dealing with Difficult Discussions DD

A 2-day *Conversational Coaching Master Class* to equip you with tools and a robust process to successfully navigate your way through difficult discussions and enrich your ability to convert destructive confrontations into constructive conversations.

Compassionate LEADERSHIP ComL

Most leaders are still trained to expect business to come before benevolence – to lead with their head not heart. This **new 1-day** advanced EI clinic explores what it means to resonate with others and introduces deep self-reflection and self-awareness techniques to help you mindfully cultivate empathy, compassion and connectivity as a leader.
